

Fins, Feathers, Paws & Claws Inc.

Come Party With The Animals!

Here at Fins, Feathers, Paws & Claws, we have an all-inclusive private party room designed with your child in mind. Our room is decorated with large, beautiful pictures of a few of the animals that will accompany you at your party.

At your party, the children will learn about the wonderful world of animals and their habits, as our staff performs an exciting and educational hands-on exotic animal demonstration designed to entertain and educate children and adults alike: including learning how to sign your favorite animals!

Fins, Feathers, Paws & Claws is a great place to host your day care, youth group, scout or any other kids' organization. Special pricing is available for organizations.

Throw a memorable animal party without lifting a finger! Our parties are a totally cool way for your kids to celebrate with the fun of animals. Plus, all you have to do is relax since we will be doing all the work. Our programs can be tailored to fit the needs of any age.
